No. 303.—The Governor in Council is pleased to declare under the provisions of section 16 of the Madras Forest Act (V of 1882) that from 1st October 1908 the area, the boundaries of which are described in the schedule below shall be a "reserved forest":—

SCHEDULE.

Number.	District.	Taluk.	Name of the block.	Boundaries.
188	South Canara.	Uppinangadi ..	Shiradi Siala Extension No. II.	*North.*—Starting from cairn No. 1 on the right bank of the Kapilanadi (or Siala river) opposite to the northernmost survey stone on the western boundary of survey No. 46 of Siala Cash village the boundary runs east by north for five hundred and forty-five yards to cairn No. 231 of the Shiradi Siala reserve. *East.*—Thence the boundary of that reserve in a generally southerly direction up to cairn No. 209 of the same reserve. *South.*—Thence west by south for one hundred and five yards to cairn No. 1-A; thence due south for eighty yards to cairn No. 1-B; thence west south-west for one hundred and thirty-three yards to cairn No. 2 on the spur where the survey line of the western boundary of survey No. 43 when produced cuts the water-shed above that survey number; thence north-west for three hundred and seventy yards to cairn No. 3 on the right bank of the Kapilanadi or Siala river. *West.*—Thence that bank of the river in a generally northerly direction for about six furlongs to the starting point.

REMARKS A.—The following rights to water are admitted within the reserve:—

I. On behalf of the pattadar and cultivator for the time being of Kolke bail (survey Nos. 28/1 and 2, 28/10, 11, 13 and 13 and 29/1 and 2 of Siala village) the right to maintain two channels and with the necessary dams to it as described below:—

The upper channel about one mile and three hundred yards long, seven feet broad and three feet deep enters the reserve thirteen yards east-north-east of the northern survey stone of the western side of survey No. 46 of Siala village and after following the north-east side of survey No. 46-3 it crosses the jungle streams and passing through the middle of survey No. 46-1 reaches the river bank; thence taking an east-south-easterly course it passes along the southern boundary of survey No. 46 and cuts the boundary of the Shiradi Siala reserve at a point eighty-two yards to the north-east of cairn No. 221; it again crosses the boundary twenty-four yards south-west of that cairn and runs in a westerly direction to the river bank, where following the course of the river it runs between the river and cairns Nos. 220 and 219 and enters survey field No. 43, about sixty yards south-south-west of cairn No. 219; thence passing through the eastern part of survey No. 43 and along its eastern boundary it finally leaves the block seventy-five yards south-east of the westernmost survey stone of survey field No. 43-1 of Siala village.

For the maintenance of the two dams across jungle streams in this reserve, which are essential to the existence of the channel permission is accorded for the cutting of twelve bamboos with their slippings each year, the earth and stones required should be taken from the bed of the jungle streams or channels. Any other materials such as trees, etc., must be brought from outside the block. Access to the channel will be along the bed of the channel where it runs inside the reserve and along the block boundary near cairns Nos. 220 and 219.

NOTE.—One of the dams is at the north-eastern corner of survey No. 46 at its junction with survey No. 47 where the northern jungle stream cuts the upper channel. The other is about one hundred yards below the above dam at the south-east corner of survey No. 46/4 where the southern jungle stream cuts the upper channel.

II. The lower channel begins at the dam across the Siala river at a point seventy yards north of cairn No. 219 of the Shiradi Siala reserve and passing along the river margin is prevented from joining the river again one hundred and eighteen yards lower down by another dam twenty-two yards long six feet high and six feet broad; thence running along the bank of the river it passes through the western part of survey field No. 43 and along the western boundary of that survey field to the northern corner of survey No. 43/1; thence along the north-eastern and south-eastern sides of that sub-division finally leaves the block forty-one yards to the south-east of the western survey stone of survey No. 43 of Siala village. The length of the channel within the reserve is about eight-hundred yards, its breadth is six feet and depth three feet. The dam at the head of this channel is forty-yards long three feet broad and two feet high. Permission is accorded for the cutting of such bamboo reeds as are required for the repair of the dam twenty-two yards long from that part of the reserve which lies within fifty yards of the dam. The earth and stones required for the dams must be taken from the bed of the river and channel only, any other materials required must be brought from outside the block. Access to the channel and dams will be by way of the bed of the channel.

COLLEGE OF ENGINEERING, MADRAS.

ENTRANCE EXAMINATION FOR THE SUBORDINATE ESTABLISHMENT OF THE ACCOUNTS BRANCH, PUBLIC WORKS DEPARTMENT.

An examination of candidates from the Madras Presidency will be held on Monday, 7th September 1908, at the College of Engineering, Madras, and provincially at the offices of any superior officer of the Public Works Department. The examination at any centre will be invalidated if it be not begun and completed on the above-mentioned date, but the officer superintending the examination may make his own arrangements with the candidates regarding the place and hour of the examination. Candidates for examination at the College will forward their applications direct to the Principal on or before the last Monday in August.

Provincial candidates should apply to a superior officer of the Public Works Department not later than thirty days previous to the date fixed for the examination. Their applications must be forwarded to the Principal through the Public Works officer.

Every application must be accompanied by a fee of ten rupees (Rs. 10), which will under no circumstances be refunded, to be paid in cash or by money order, and by the following statement and certificates :—

STATEMENT to accompany an application for registration of name for the Entrance Examination, Accounts Branch, Public Works Department, to be held on Monday, 7th September 1908.

Full name.	Age.	Certificates sent			Occupation.	Address.
		a	b	c		
	Years.					

Place of Examination

Date

(Signature of Applicant.)

I consent to superintend the examination of the applicant at the above-named place.

(Signature of Officer.)

N.B.—A candidate must furnish with this statement—

(*a*) Certificate of good character, covering a period of not less than two years immediately preceding the application, from a superior under whom the candidate has served, or to whom he is well known, or by whom he has been educated.

(*b*) Certificate that the candidate is under 25 years of age (not required if candidate is in permanent Government employ or in a service which is pensionable by Government). This certificate must be signed by a Medical officer of rank not lower than Assistant Surgeon.

(*c*) Certificate that the application is in the candidate's handwriting.

The certificates may be submitted in original or by authenticated copies, but none will be returned.

The Principal will decide from the certificates whether an application should be registered or rejected.

Examination papers for registered candidates will be sent from the College to Superintending officers in time for the examination. The following are the subjects of examination and the marks for each. In order to pass, a candidate must obtain the minimum marks in each subject and, independently, two-thirds (400) of the total marks :—

	Maximum marks.	Minimum marks to pass.
Writing (*neatness, clearness, and rapidity*)	100	50
Dictation (*spelling, punctuation, &c.*)	100	50
Arithmetic (*the whole*)	240	120
Memorization (*the whole*)	60	30
Book-keeping (*mercantile*)	100	50
Total ..	600	400

Each examination is complete in itself. A candidate who fails at an examination and wishes to appear at a subsequent one must furnish a fresh fee and certificates and undergo the full examination.

The College of Engineering acts solely as an examining agency. Passed candidates should apply (1) to the Examiner of the Public Works Accounts, Madras, for direct appointment as Accountant, or for appointment as accounts clerk in the Examiner's office (2) to Superintending Engineers for appointment as accounts clerk in Executive Engineers' offices. The passing of the examination does not give any claim to appointment.

OFFICIAL ADVERTISEMENTS.

NOTICE OF AUCTION SALE OF USUFRUCT OF DIVI DIVI TREES AND TAMARIND TREES AT SAIDAPET.

THE usufruct of the Divi Divi trees and the tamarind trees on the lands of the Agricultural College, Saidapet, for one year from 1st August 1908 to 31st July 1909 will be sold by public auction at the Agricultural College, Saidapet, at 8-30 A.M., on the 1st August 1908.

The successful bidder will be required to pay one-quarter of the amount at the time of auction and the remainder before the 30th August 1908, in default the usufruct will be resold and the amount paid will be forfeited to Government.

The Auctioneer will be the Sub-Divisional Officer, No. IV Sub-Division, Presidency Division.

Executive Engineer's Office, Presidency Division,
Chepauk, Madras, 20th June 1908.

D. MARSHALL,
Executive Engineer, Presidency Division.

SALE NOTICE.

NOTICE is hereby given that the full ryotwari rights in the Government waste lands in the undermentioned villages irrigable with Periyar water will be put up to auction by the Special Deputy Collector at the villages and on the dates noted below, and knocked down to the highest bidders above the fixed upset price of Rs. 10 an acre for dry land, and Rs. 20 an acre for wet land.

2. The sales will commence at 12 noon and close at 5 P.M.

3. The lands will be sold field by field and the successful bidder will receive ryotwari pattah after confirmation of the sale by the Collector on payment of the full purchase money. The Collector will be at liberty to accept or reject any bid without assigning reasons therefor. The selling officer may withdraw any field from auction or put up any number of fields as one lot subject to a maximum of 6 acres.

4. An initial deposit of Rs. 10 will be taken from each intending bidder. Immediately after the conclusion of the sale of each field, the successful bidder must deposit a further sum so as to make up 15 per cent of the purchase money in the case of non-resident—10 per cent in the case of resident-ryots failing which the land will be resold at their risk. The remaining amount of the purchase money must be paid into the Taluk Treasury within 30 days of the date of sale, failing which the land will be resold at the risk of such defaulting purchaser if a non-resident ryot. In the case of resident ryots he must execute an agreement within one month after date of confirmation of sale by the Collector binding himself to pay the remaining amount of purchase money in 2 equal instalments with interest failing which the land will be resold at the risk of such defaulting purchaser. As soon as the sales are completed, the deposits of unsuccessful bidders will be returned to them.

5. Persons bidding at the sale should explicitly state whether they bid on their own account or as agents and in the latter case they must deposit a written authority signed by their principals; otherwise their bids will be rejected.

6. The lands in all the villages will be registered as single crop wet lands liable to pay an assessment of Rs. 2½ to 8½ an acre. They are liable to the payment of cesses in addition to the land assessment and the latter is liable to revision at the next Revenue Settlement. Unless a crop is actually raised in fasli 1317, the payment of assessment will commence only from fasli 1318. A crop actually raised in fasli 1317 will be treated as Puduval and wet assessment only will be charged thereon. Water taken in that fasli not for the purpose of raising a crop but to facilitate the conversion of the land to wet will not be charged for. Until water is made available for the irrigation of these lands, remission will be granted for lands left waste. If they are cultivated with dry crops dry assessment only will be charged. In the case of lands classed as "wet" in the Settlement Register, half assessment only will be levied on the first crop raised. In the case of lands classed as "dry" for the first year in which the land is brought to holdings a remission of 75 per cent of the charge will be granted; in the second year a similar remission of 50 per cent. and in the third year a similar remission of 25 per cent. The full charge will be levied from and after the fourth year. The above concession regarding partial remission does not apply to the case of lands already under wet cultivation.

7. Lands that may be required by Government for field channels, drainage or other works connected with Periyar irrigation and roads must be given up on refund of a proportionate part of the purchase money.

8. No claims will be allowed for any deficiency of or below 10 per cent. of the notified area in the case of each field sold unless such claim is preferred to the Special Deputy Collector, Periyar, within two months after the confirmation of the sale.

9. If within a period of two years from the date of sale, any land be found not to be irrigable by the project and the Executive Engineer certifies that water will not flow to it or if, for any other reason the Executive Engineer certifies that water cannot at any time be supplied to the land, the purchase money will be refunded, and the land taken back. The purchaser will not be entitled to any further compensation, nor will he be entitled as of right, to relinquish the unirrigable and retain the irrigable portion, when a lot consisting of 2 such portions has been knocked down to him.

10. To enable ryots to adopt these lands for wet cultivation advances will be granted by Government bearing interest at 6¼ per cent. per annum and repayable in 10 or more annual instalments on the security of these lands to the extent of 80 per cent. of the purchase money thereof and more on other security. Loans will also be granted for application of manure, and purchase of cattle. In the case of lands already under wet cultivation loans under the Agriculturist Loans Act alone will be granted. The above concessions will not apply to the land purchased by resident ryots.

11. Information as to the survey number and extent of the fields to be sold and the assessment thereof can be obtained at the Special Deputy Collector's office, Periyar. Printed lists will also be circulated in due course before the date of sale. The lands to be sold can be inspected with the assistance of the Karnam at all times and with the assistance of the Special Revenue Inspector during the three days immediately preceding the date of sale.

12. No preferential right for irrigation will be admissible on the ground that lands were sold by Government.

MADRAS STATIONERY DEPARTMENT.

TENDER FOR THE SUPPLY OF GUM.

SEALED tenders for the supply of gum, common, during the official year 1908–1909 will be received by the Superintendent of Stationery up to 12 noon on Wednesday the 15th July 1908:

	Probable quantity for the year.
Gum, common	10,000 lb

GENERAL CONDITIONS.

1. Tenders should be superscribed "Tenders for gum," and should specify the rates at which the tenderers undertake to supply the article. They should be accompanied by a deposit of 5 per cent. on the value of the tender. This deposit should be remitted into the Bank of Madras and the Bank's receipt attached to the tender. No money will be accepted.

2. Samples of articles proposed to be supplied should invariably accompany the tender; they should be distinctly described and marked with the name of the tenderer on labels attached to them. Standard samples may be inspected at the Stationery Office.

3. The articles should be delivered at the Stationery Office, Madras, at the cost and risk of the contractor.

4. The successful tenderer will be required to pay a security of 10 per cent. on the value of his tender together with the necessary stamp duty, and to sign a contract bond (form of which can be seen at the office) within fifteen days from the date of his being informed of the acceptance of his tender. In case of failure, his deposit of 5 per cent. delivered with the tender will be forfeited and credited to Government and his tender considered to be cancelled.

5. The quantities mentioned above are only approximate; the actual quantities required will be stated in the orders given from time to time, agreeably to which the contractor should supply the articles.

6. The Superintendent of Stationery reserves to himself the right of rejecting any tender without assigning any reason for so doing.

7. Forms of tender and any further information can be obtained on application to the Stationery Office on any office day between the hours of 11 A.M. and 5 P.M.

TENDERS FOR SUPPLY OF SHEEPSKINS.

NOTICE is hereby given that sealed tenders will be received up to 2 o'clock on Monday, the 13th July 1908, by the Superintendent, Government Press, Mint Buildings, Madras, for the supply of sheepskins mentioned in the subjoined schedule more or less. Tenders to be superscribed "Tender for supplying sheepskins."

2. Each tender must be accompanied with samples and a deposit of Rs. 25, which will be returned if the tender is not accepted.

3. The sheepskins supplied should, in all respects, be equal to the sample accepted. 1,500 skins must be delivered within a week and the whole supply must be completed within one month from the date of tender.

4. The person whose tender is accepted must deposit at once 10 per cent. of the amount of his tender. This deposit will be forfeited in case of failure to supply the sheepskins within the time mentioned above.

5. No advance of cash will be made to the contractor.

6. The Superintendent reserves to himself the right of rejecting all or any of the tenders without assigning any reason for doing so.
